

NEWS OF CITY AND  
COUNTY CONDENSED

S. H. Benjamin and family and Mrs. Benjamin's mother, Mrs. G. Redwood of Micanopy, were in the city yesterday. They were en route to their new home, Paterson, N. J., where Mr. Benjamin is engaged in business. Mr. Benjamin has been a resident of Micanopy for the past thirty-three years, during which time he has been actively and successfully engaged in the mercantile business. It is with regret that the people of Alachua county see him leave, especially the people of Micanopy, with whom he has always been in harmony, but they will wish him well in his new home.

Dr. E. H. Armstrong has perfected some wonderful cures through this section in eye, nervous and chronic diseases, the list including stomach, bowel and back trouble, sick headaches, etc., by the Neurological system of treatment without drugs or operations. The Doctor does all he claims, as is proven by the many people who have been restored to health in this section, as well as all over the State. Anyone having eye or chronic troubles, of whatsoever nature, would do well to consult the Doctor on this visit, as, having to make the entire tour of the State now in person, it will be some little time before he has the opportunity of calling here again. Remember Dr. Armstrong will be here in person on April 25, and may be seen at the Brown House. Will positively only be here on date named.

Mr. Wm. Thos. Lanorgan, provincial constable at Chapleau, Ontario, says: "I caught a severe cold while hunting a burglar in the forest swamp last fall. It will loosen and relieve a severe cold in less time than by any other treatment and is a favorite wherever its superior excellence has become known. For sale by all druggists.

Thousands Have Kidney  
Trouble and Never Suspect it.

## How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

## What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

## WILL INDICT MOB LEADERS.

Several Men Have Been Arrested and Charged with Lynching.

Springfield, Mo., April 18.—Suppressed excitement pervaded all classes here on the opening of this, the fourth day of Springfield's race war.

The arrest late Monday of half a dozen men accused of complicity in Saturday night's lynching, had had the effect of clearing the streets when the members of the mob, who had openly boasted of their participation in the affair, began to realize that the state and county officers had really combined in an effort to prosecute all offenders. Then the people had again been inflamed with the mob spirit, when it became generally known that another negro had been killed, this time by a white boy in self defense.

This tense feeling was still apparent when morning came. Sheriff Horner early sent out a dozen deputies armed with the twenty or so warrants still unserved, while in the criminal court the session of a grand jury, called together under instructions to indict the mob leaders, was begun.

Monday night the militia had encamped about the jail, nearly a mile from the public square, in the center of the city, and Tuesday at both these points the soldiers were especially on the alert.

## Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar, and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble." Foley's Honey and Tar stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes. J. W. McCollum & Co.

## The Original.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. McCollum & Co.

## RIOT IS NARROWLY AVERTED.

Officers Held Women Before Negroes' Gun.

Mount Airy, N. C., April 18.—As a result of Walter Penn, a negro, resisting, and other negroes overpowering and disarming Deputy Sheriff U. G. Belton and Officer John Samuels, George Long, a negro, is dead and the local military company was ordered to the scene of what was almost a riot.

The negroes succeeded in securing the pistols of the officers and fired about twenty shots at them and the officers only saved themselves by holding negro women between them and the attacking party.

The dead negro was shot by one of his own race in the attempt to shoot the officers. The shooting occurred outside of the city limits and before the soldiers arrived the guilty parties had escaped to the woods.

The officers know the negroes and a posse of citizens and soldiers is out searching for them.

## YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has lots to answer for.

Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.
